Principal’s Column

Welcome back!

Welcome back to our new school year. I trust everyone had a restful and fun break. It did seem to go very fast. We’ve had a great start with children settled and already working hard. Once all the new books and stationery were sorted all classes were hard at work. Even Preps were already learning at 9.20 a.m. on their first day!

New Staff

We welcome many new staff members to our school this year. Welcome to Nick Lunn, Nicole Miller, Teneale Gordon, Kylie Westlake, Michael Slocombe, Anne Slattery, Kim Callanan and Belinda Cook. All bring with them a range and wealth of experiences.

School Structure for the beginning of 2015

We have started the school year with 850 students from nearly 570 families!

Classes

- Prep - Kerrie-Lee Treskow, Sara Hollonds, Sarah Albertson, Clair Allan, Lucy Robson, Teneale Gordon
- Year 1 – Rachel Dowling, Diane Faulkner, Aimee Holt, Lucy Jorgensen, Sandi Wenck, Kerryn McPherson
- Year 2 – Lisa Parker, Meredith Moody, Teagan McLaughlan, Belinda Cook, Nicole Miller, Kim Callanan
- Year 3 – Rebecca Brian, Jessica Birss, Heidi Wise, Alex Jennings, Pam Gore, Simon Thomas
- Year 4 – Nick Lunn, Kathleen Gordon, Jonathan Mitchell, Jan Green, Renee Chagoury
- Year 5 – Kirsten Holmes, Joel Hughes, Kent Campbell, Chris Cashman
- Year 6 – Peter Schumacher, Chris Wise, Justin Dixon, Andrea Hall

Specialists

Sofia Hobson (Performing Arts), Cameron Hutchins (Physical Education), Alex Huxley (Japanese), Maree Johnson (Teacher-Librarian), Jane Thiselton, Hilary Dean, Amanda Tinney and Janet Crow (Special Education) and Melanie Timbs, Danee Steer and Amanda White (Learning Support, Gifted Education, EALD).

Leadership Team

Myself, Dave Foxover (Deputy Principal and lead administrator for Year 4 to 6), Rose Marszalek (Head of School: Curriculum and lead administrator for Prep and Year 1), Michael Slocombe (Head of School: Student Support and lead administrator for Years 2 to 3), Anne Slattery (Head of School: Diverse Learners); and Jill Hamilton (Business Services Manager)

Office staff

Kaz Jones, Karen Siddle, Sonia Sheridan, Elaine Williamsz (First Aid Coordinator and Parent Liaison Officer)

Teacher Aides

Annette Alexander, Fiona Lewis, Jacquie Christie, Meryl Todd, Toni Goulevitch, Lisa Seagg, Natalie Trappet, Melissa Martin, Maree Burgess, Tanya Valentine, Jodie Dennis, Jane Catterall, Kylie Armitage. Next week all our Year 1 and 2 Teacher Aides start back after their holiday

Facilities staff

Mark Coert, Craig Alexander, Marylin Davies, Allan Hayes, Kate Gregory, and Robyn Felmingham

The office foyer features a display of all staff photographs to enable parents to identify people working in the school. Some teachers allow students to use their first name. This is not disrespectful – merely an individual choice and children soon get to know who everyone is.

Parent Information Afternoons

During the first few weeks all teachers will hold a Parent Information Afternoon in their classroom. Each teacher will let their parents know when this is. They will share with parents how their class runs and what their expectations are for the year. This is a great opportunity for you to meet your child’s teacher and ask questions specific to the class.
Before and After School - Pick Up and Drop Off

Despite of our ample parking there simply isn’t enough spaces for 500+ cars before and after school. Please be mindful of our neighbours and keep off their lawns and driveways when you are parking. You may want to delay your pick up until 3.10pm. Children are safe either within the gates or waiting out the front and there are often lots of spaces by then.

We encourage parents to develop independence in your children as soon as possible by letting them walk or ride to school with their friends or in small groups with maybe a parent for supervision. We promote our status as a TravelSmart school and many children have developed great habits with getting themselves to school on their own steam.

Please wait in the central pathway or the Central Covered Games Area or out the front of the school until the bell goes at 3.00pm. It is very distracting for children and teachers to have parents hovering at doors and windows when last minute messages are being given out at the end of the day.

Back to School Reminders

Earlier in the week we distributed an information sheet of Back to School Reminders. This is a good reference to put on the fridge for later reference. You will also find it on our website in the newsletter section.

Art Lessons

Last year we provided three specialist visual art lessons each term to students in Years 2-7. This program will continue this year with Lauren Moody (our artist) covering all classes in the first few weeks of school prior to going back to university to complete her degree.

Please ensure you have paid your Student Resource Scheme so that your child can participate fully in these lessons.

Keep a watch over our school – 13 17 88

To keep our school safe and free from vandalism this year we need you to look out for after-hours crime in our school. If you see anything suspicious, please don’t attempt to intervene. Call the School Watch number – 13 17 88. It would be helpful to add this to your contacts list in your phone.

The School Watch Program is a partnership between Education Queensland, the Queensland Police Service and the State Government Protective Security Service. It aims to reduce vandalism, theft and arson in Queensland schools. Keep the number handy and let’s work together to help create a safer school community.

Assembly

Our first Assembly for the year will be tomorrow morning at 8.40am in the Indoor Sports Centre! All parents, carers and other family members are welcome to attend.

Census Day

On Thursday 5 February the Department collects the number of students in each state school and makes a determination about the allocation of staff and resources for the school year.

If your child is away for any reason next Thursday we ask that you notify the school office in writing (email is fine) stating the reason for the absence and the expected date of return. We must prove to the auditors that your child will be returning to this school, and therefore, is able to be counted as an enrolment.

Thank you for your cooperation with this. Please don’t hesitate to call the school office on 5351 2222 if you have any questions about this process.

Health

We are currently updating all of the student health information and compiling information folders and posters for staff. If your child has a medical condition or a change to a current condition which needs to be noted on our system please advise Elaine in the office as soon as possible. We also require any medications which are to administered at school to be brought in to the office and the relevant paperwork completed. All medication to be administered at school should be:

- within the expiry date
- labelled by a pharmacist with the child’s name and the dose required.

Junior Summit Program at Noosa District State High School

Congratulations to Abby Jones, Zoe Butcher, Emma Lumsden, Alice Ayton and Amber Sheridan for being accepted into the Junior Summit Program where they will be participating in extension classes in Visual Art, Marine Science and Digital Design.

Principal’s Blog

I blog irregularly throughout the year about our school and education in general. This fortnight I have written about my role as Principal and our new enrolments. You can find this post and all previous posts at http://peregianposts.blogspot.com.au/

Until next fortnight …

Gwen

Dates for your diary

Keep an eye on the calendar in Schoolzine (our newsletter service) and on the website. All important dates and changes are recorded there.

Here are a few things coming up:

- Tuesday 3 Feb 5.00 p.m. - Japanese School Trip to Tokyo in November 2015 Information Evening
- Wednesday 4 February - Specialist Art Classes begin – please pay your SRS before this date
- Thursday 5 Feb School Census Day - Please notify the school if you are going to be away on this day
- Monday 9 February Brainstorm Productions for Prep to Year 6 – Please pay your SRS before this date
- Thursday 12 February 6.00 p.m. - P&C Meeting
Deputy Principal’s Column

Welcome back to the first week of school for 2015 for our existing students and a big welcome to all new students commencing with us this year. It was fantastic to see a stream of smiling faces bringing all their stationery into the school on the meet the teacher afternoon, even though we were bombarded by a large downpour!

Brainstorm Show Week 3

Brainstorm productions have been invited to the school to share safe internet skills and promote responsible use of technology and positive relationships. They will perform to all students from Prep-6 over Monday 9 February. If your child has paid their SRS there is no need for further payment.

Swimming Lessons Term 1

In Term One, Year 1 and 2 students will be undertaking Swimming Lessons. Lessons start on Friday 13 February and continue for 8 weeks. Please note the last lesson is on a Thursday, 2 April, as Friday is a holiday. Preps and Years 3-6 will be undertaking Swimming Lessons or Surf Skills in Term 4. We swim every week – even if it is raining.

School Starting Times

We kindly ask that students arrive at school from 8.15 a.m. onwards as a safety precaution. If they arrive before 8.15 a.m. they are to move directly to the central undercover area where they will sit until dismissed by a staff member.

School Finish time

All parents are requested to wait on the undercover central pathway until the 3 p.m. bell. After this time, parents can walk down to their respective classrooms. Classroom learning time is maximised and key messages can be distributed at the end of the day when students can sit undistracted until 3.00 p.m.

I look forward to another great year at school and appreciate your continued support in our schooling community.

Dave Foxover

Head of School - Curriculum

Welcome back!

It was fantastic to see all our families returning and starting with us this week. So many smiles on our kid’s faces as they came through the gate on Tuesday morning and then even bigger smiles on our parent’s faces as they were walking out the gate.

My role as Head of School – Curriculum is to oversee all facets of our curriculum. I also have the added fun of being the Lead Administrator for our Prep and Year 1 classes. This year as a school, we will continue our curriculum focus in Mathematics on developing thinking and reasoning with number, as well as in English further developing our student’s spelling and writing skills. We will also continue to foster creativity and innovation in all curriculum areas.

I’d like to welcome Mrs Kylie Westlake to our school. Kylie will be working closely with me, and all of our Teachers, on all aspects of our curriculum, to ensure that we continue to provide the best learning opportunities for all of our students.

Rose Marszalek

Head Of School – Student Support

This year we will again be focusing on assisting our students in responsible decision making and fostering resilience and confidence in them, as they socially and emotionally develop throughout the year.

I have included a great checklist on how you can ensure your child gets the best start to the year from parenting expert Michael Grose. Have a great start to the year and enjoy your child’s successes.

Routine. This is a simple concept, but it’s often hard to follow through with getting back into a normal schedule before the school year starts. It’s our job to do it. Moving into a normal schedule eases the kids back into bedtimes, breakfast times and basic management of the day. It also helps reduce stress and anxiety as you are doing all you need to do to get them up and out the door on time.

Nutrition. Our kids need to start off each day with a healthy breakfast as fuel for the day. Their brains and bodies are going to be working hard for the next 6-8 hours that they are at school. They need a healthy lunch to re-fuel and get them through the second part of the day also.

Keep the learning going in everyday situations. Take the kids to the store and use it as an opportunity to work on math skills. When travelling pull out a map and have them navigate. Lead them into learning without them even knowing.

Talk to your kids about school. Ask them how they are feeling. Support the positive feelings about it, and do what you
can to ease the anxiety. Keep an open dialogue with them and let them know you are there to support them.

**Be positive for them.** Your attitude will help support their attitude to learning. Focus on the positives in the learning process at the start of the year.

**Meet the teacher.** Meeting the teacher can be a great way to ease anxiety for you and your child. It provides a sense of familiarity on the first day of school.

**Travel routines.** Plan school pick-up and drop-off routines so your child feels confident in getting to and from school.

**Trust your teacher.** You know your child better than anyone and often it is hard to drop them off with a new person. However, trust your teacher. They are trained professionals and they know how to deal with separation issues that your child may have. If it is beyond what they are able to comfort, they will call you.

*Micahel Slocombe*

**Head Of School – Diverse Learners**

My new role as Head of School, gives me the opportunity to work with our diverse learners. As an educator for over 25 years, I’ve spent the past two years at Maroochydore Regional Office supporting North Coast schools with the More Support for Students with Disability national project. I’m looking forward to a great year working alongside the amazing staff, students and families of Perugian Springs State School. All students have the ability to learn and should be able to demonstrate progress in their learning.

*Anne Slattery*

**Master Teacher**

Master Teacher is a newly created role starting in 2015 and I will work alongside other leaders in the school to prioritise the teaching of literacy and numeracy and enhancing the teaching practices of all staff. I will endeavour to coach, model and give guidance to teachers in delivering quality curriculum. The students of our school will benefit from innovative best practice and improved learning outcomes. I am looking forward to getting to know the students, parents and staff at Perugian Springs State School as I begin in this new role.

Whenever someone starts at a new school there is a level of nervousness and anxiety and as parents we play an important role in supporting our children with this transition. Here are some helpful hints to assist with starting a new school:

**Sleep and Routines.** Setting up regular bedtimes and routines is one practical way to cut down stress and going to a new school just becomes part of the everyday routine.

**Be Practical.** Ensure your child can open their lunch box, know where their hat is, unbutton their skirt, etc.

Sometimes it is the minor tasks that cause anxiety. It is important that they can complete tasks independently or have the confidence to ask if they can’t.

**Talk up Learning.** If you child is feeling anxious, keep a positive attitude and recall the fun and exciting things they have done and the opportunities for learning they have in the future.

**Walk them through it.** Escorting children to the classroom really can help with transition. Ask them where different things are along the way. Make them the expert of their new environment. It is also helpful to drop your child off and pick them up in the same place every day so they know where to find you are know that you are coming back for them.

**Connect.** Communicate with your child’s teacher regularly. This is modelling to your child that you care about their schooling and teachers can alert you to any emotional, social or academic difficulties they perceive are happening.

**Be Supportive.** Support your child in establishing new friendships but don’t worry if you child doesn’t make new friends straight away, as it can take months to develop firm friendships.

**Bring it home.** Talk about school at the dinner table, add schoolwork to the fridge, and help with your child’s homework. This keeps learning exciting and shows your concern for what happens at school.

**Go Further.** Participate in school activities as this a valuable way of connecting to the school community and parent networking. You can learn a lot about the school from fellow parents.

I wish all of the school community a wonderful start to 2015 and look forward to the adventures that await.

*Kylie Westlake*

**Coolum Police**

The Coolum Police have asked us to remind families that there is a number to call for non life threatening situations – 131 444. This alleviates pressure on the local Police Station in Coolum. It would be helpful to add this to your contacts list in your phone.

For life threatening situations always call 000

**Payments Procedure PSSS**

Please ensure when you are making a payment to the school for an Excursion or Camp by EFT or Cash/Card that the permission forms are also forwarded to the office. We are then able to match payment to permission forms and stamp them paid and hand them on to the teacher concerned. Please do not send any money to your student’s teacher. All money is to come directly to the office. Payment times are 8:00 a.m. – 12:00 p.m. every week day.

Due to the requirements of Education Queensland with regards to banking and cash on premises, the school office is unable to process payments after 12.00 p.m. each day. Payments can be made online.
Student Resource Scheme

These funds cover costs associated with art, cooking and other special activities including Mother’s Day, Father’s Day, Easter and other special events.

The Student Resource Scheme payment can be made at the school office or directly into the school bank account. PSSS is registered with Centrelink and you can arrange through the BSM to have payments deducted directly each fortnight from your nominated benefit. If you wish for this to happen please make an appointment to speak with the BSM Jill Hamilton.

Resource Centre News

Dear parents and caregivers,

Happy 2015 to you! May you always find the library to be a welcoming place! Our doors are open at 8.15 a.m. and remain open all day, every weekday until 3.30 p.m. (except Tuesdays). We’d love to meet you especially if you have a little time to help with the numerous tasks that confront us.

Introductions

The library has two permanent members of staff: - Meryl Todd (our library teacher-aide who is a qualified library technician) and myself, Maree Johnson (a qualified teacher-librarian). We have been at Peregian Springs SS since the school’s inception and are very proud of our role in establishing the library, now five years old.

Volunteer Thank Yous

I’d like to acknowledge and say a huge ‘thank you’ to grandparent, Helen Logan, and parent, Lucy Yule, for volunteering on Day 1 to work in our incredibly hot building for the whole day. Helen issued hundreds of readers and processed some new books while Lucy delivered them and filed Teacher Reference books. Parent, Karen Kruger, popped in and asked if we needed help, and left with an armful of readers to cover. Grandparent, Jan MacDermott also visited to organise a day this week. Four volunteers offering help on the first day back! What an amazing school community this is!

New arrangements

This year the Resource Centre’s Media Room will be used as the Japanese classroom. In 2014, we sometimes had as many as 100 students using the Resource Centre during one break so this year with more students and less space, the Morning Tea break will be for Preps to Year 3s and the Lunch Break for Year 4s to 6s.

All students will have a forty-minute library-borrowing session a week, starting in Week 2. I teach all Preps and some Year 1s and try to provide lessons for other classes from time to time especially during Children’s Book Week in Term 3.

Student Borrowing & Library Bags

Students from Prep to Year 3 are required to have a library bag to borrow.

Preps and Year 1s may borrow 1 book a week.
Year 2s – 2 books (1 Fiction and 1 Non-Fiction)
Year 3s – 3 books (but no more than 2 Fiction)
Year 4s – 4 books (but no more than 2 Fiction)
Year 5s – 5 books (but no more than 2 Fiction)
Year 6s – 6 books (but no more than 2 Fiction)
An Amnesty on Outstanding Loans

Please check your homes and especially children’s bedrooms for library books and readers that have not yet been returned. There were still a number that were not returned at the end of last year. Nothing will be said if you return them to the office or directly to us.

I look forward to meeting all of the new students over the next two weeks when I conduct orientation sessions.

Continue to read with and to your children,

Maree Johnson
Teacher-Librarian

Uniform Shop

The uniform shop will be open at the usual times during Term 1:

Wednesday 2.00 – 3.30 p.m.
Friday 8.30 – 9.30 a.m.

Partnership with Star Real Estate

Remember to mention our school if you or a friend is selling through Star so that our school can benefit from the $1000 donation when the property sells!

The donations will fund the building of adventure play equipment for our senior students.

Scholastic Book Club

Library Fundraising with Scholastic Book Club.

Our school participates in Scholastic Book Club each year. Allowing children to choose the books they want to read certainly encourages reading and a love of books.

You’ll find award-winning books, as well as old and new favourites in the Book Club brochures. The books span a wide range of children’s reading levels and interests and are offered at great prices. The Brochures are Wombat, Lucky, Arrow & Star. Your child will receive the brochure that is appropriate for their year level, however additional copies of all the brochures are available at the office & library.

Once a term, students will bring the Book Club brochures home. Together you can look over the brochures and perhaps choose a book or two. Each order helps to earn free books for our school library; however there is no obligation to order.

Last year we were awarded with over $2000 rewards points. Maree Johnson uses these rewards points to buy wonderful books for your children to borrow from our School Library.

It is easy to order, Scholastic now offers, LOOP, a parent online ordering system. Go to www.scholastic.com.au and follow the parent payment prompts. Alternatively, just fill out the form at the back of the brochure with your Student’s Name & class printed clearly. A phone number is helpful too, in case we have a query about your order. Then return the order form & payment to the school office by the due date. The preferred payment method is by Credit Card (over the phone or online) or Cheque made out to Scholastic Aust. We are happy to accept cash if the order is $10 or less. If you are paying with cash please be sure to send the correct amount and seal your envelope very well. The books will arrive back to your child’s classroom within two weeks.

We hope you enjoy Scholastic Book Club again this year.

Thank you again for your support.

Issue One brochures for February will be sent home in week 3.

February Book Club Orders Will Be Due: FRIDAY 20 FEBRUARY 2015.

P&C News

Welcome back to a new school year and greetings to all of our new families. I hope you all settle in well to our fantastic school.

We are always keen to meet new people and welcome new members. Our meetings are monthly on a Thursday evening at 6 p.m. and run for an hour or so. Our first meeting is on Thursday 12 February.

During our first meeting we will schedule our Fundraising events for 2015 and encourage new ideas. Already planned are a Ladies Night Out on February 21 and Lads Nights Out on February 28. We are also hoping to have a Dance-a-thon and maybe a School Fair. The regular events include Discos, Easter Raffle, Mothers Day Stall, Car Boot Sale and more. All of these events require a lot of planning and we really need more
volunteers to help make them a success. Joining in is also a great way to meet new friends and there are usually coffee or drinks involved, if I have anything to do with it.

You can contact the P&C through Elaine in the office or email me on pandc@peregianspringsss.eq.edu.au

Looking forward to meeting you

Student Celebrations

We have amazing kids in our school achieving in their chosen interests at high levels. If your child has achieved something wonderful outside school please let us know either through the office, your child’s teacher or email the.principal@peregianspringsss.eq.edu.au

We love to hear about what our kids are doing!

UNIFORMS

Please ensure students have the correct uniform at all times by ordering items from the Uniform Shop.

All children require black shoes with navy or white socks. We recommend black joggers as children are engaged in a lot of physical activity at school. Currently there are many children wearing shoes of other colours or wearing shoes that do not support vigorous activity.

Our school community is proud of our school uniform and takes pride in the way children present themselves. We note that children who present at school in clean and tidy uniforms are often better behaved and more attentive in class.

Your cooperation in ensuring your child is wearing the correct uniform is appreciated
