8 May 2014

Principal’s Column

A day made better

Nothing makes a staff member’s day go better than a heartfelt thank you – especially in writing.

A Day Made Better recognises exceptional primary school teachers across the country. Last year, A Day Made Better received 5,700 nominations for over 1,000 inspirational teachers. This year they’re aiming to gather 10,000 nominations from every corner of Australia. Every nominated teacher will receive a certificate and gift to acknowledge their incredible contribution. And, if a teacher from our school is chosen as one of 10 winners, they’ll receive $2,000 worth of supplies and an Apple iPad for their classroom.

Indoor Sports Centre

Our Indoor Sports Centre is nearly finished and will be handed over to the school on Friday 16 May. All the fences will come down some time in the week after that. With luck we can hold our first indoor Assembly on Friday 23 May.

NAPLAN

All students in Years 3, 5 and 7 will sit the National Assessment Program for Literacy and Numeracy next Tuesday, Wednesday and Thursday. We ask all parents to ensure that children are on time to school. Arriving late on these days would be very unsettling – not just for the late child but also for all other students. Children who are away will sit the tests on Friday.

I am completely confident that as in previous years children have been adequately prepared. The concepts tested include knowledge and skills from the previous year as well as from the current year level. Some questions also test children’s competence in higher level thinking skills.

I spent some time in 5SH and 65C last week and was so impressed with their approach to planning a piece of writing. This is a skill tested as part of the writing test – in previous years teachers have had some notice about the type of writing required. This year students have needed to be prepared for anything! And since any piece of writing these days is rarely one genre or the other, children will be able to use all their persuasive skills to write some brilliant narratives – if this is what is required!

Please see your child’s teacher if you have any questions or concerns about NAPLAN.

SafeST

Last week we held our first SafeST Committee meeting. For the first time all representatives from the Department of Transport, Queensland Police, the Sunshine Coast Regional Council and Central Office staff were in attendance. The Council made a
commitment to work with all other stakeholders in reviewing and considering proposals to improve traffic flow and road safety. SafeST Meetings are held about 3 times a year. Parents are represented by John Sheridan, President of the P&C Association, and a parent volunteer. Thank you to Renee Irving-Lee for filling this position last week.

**Our School’s Generosity**

One of the loveliest things about our school is the generosity shown to others in need. During Term 1 we ran an appeal for one of our families who lost everything in a house fire. I was proud to give them a cheque for over $700 before Easter representing all of our school’s families. Rebecca Jenkins has asked that her thank you letter be publicised. Of particular note is her warning about checking the safety of our homes and not leaving this job for a rainy day.

Here is Rebecca’s letter to you all:

Dear Gwen and Our Peregian Springs State School Friends,

We would like to thank you all for your amazing support and kindness over the past six weeks. We are blessed to be surrounded by such caring people. Despite the loss of our home, we still feel very lucky. We are obviously lucky that we escaped unharmed but also extremely lucky to be part of a community that rallies around its members in the way that you have.

We would like you to all know that we are doing well. We have a temporary home and the insurance claim is making progress. The kids have had terrific support from their teachers and peers which has enabled them to continue on with their day to day activities without any worries.

It is unfortunate that loss tends to teach us about the worth of things but some good lessons have been learnt none the less. We have learned to appreciate how precious and unpredictable life is. We have learned first-hand that the world is full of amazing people that are willing to help those in need in any way they can. We have also learned that it is not a house that makes a home; it’s the people in it and the people that we invite into it. We have also learned from living minimally for six weeks how much stuff we tend to accumulate over the years that we think we need.

There is one thing that we do ask of you all now. We ask that you please check your smoke alarms for their working ability and for their correct placement. And, talk to your families about fire safety and evacuation plans in the home. We used to think that these things just happen to ‘other people’ too.

We hope that one day we will be able to thank you all in person for your generosity. Again, we are so very grateful to have you in our lives.

Love The Jenkins Family (Steve, Rebecca, Blake, Cody, Nate and Layne)

---

**Transition to school from kindergarten**

We have many siblings starting school next year. Starting school is a major life transition for families and children. Managing this change is best done if information is shared between parents, carers, children, principals and early years’ teachers in schools and kindergartens. By managing the transition to school in a supportive way, children’s continuity of learning is maintained.

A positive start to school means children and families have a greater and ongoing connection with the school community. Have a look at the Step up into education website (http://www.education.qld.gov.au/schools/stepup/) for more information and resources.

**Enrolments for 2015**

Enrolment for 2015 starts on Monday 12 May – all parents with children starting school next year are asked to see the office for an enrolment package.

**Staff Shirts**

You may have noticed many of the staff looking pretty good lately in our staff shirts!

---

**Principal’s Blog**

I blog irregularly throughout the year about our school, education and being a parent. This fortnight I have written about the Drop Off Zone and our ANZAC tradition. You can find these posts and all previous posts at http://peregianposts.blogspot.com.au/

**Until next fortnight …**

Gwen

**Dates for your diary**

Keep an eye on the calendar in Schoolzine (our newsletter service) and on the website. All important dates and changes are recorded there.

Here are a few things coming up:

- Thursday 8 - Friday 9 May – Mother’s Day Stall
- Thursday 8 May – P&C Meeting 6.00pm
- Monday 12 May – Enrolments for 2015 commence
- Tuesday 13 May – NAPLAN for Years 3, 5 and 7 (Language Conventions and Writing)
- Wednesday 14 May – NAPLAN for Years 3, 5 and 7 (Reading)
Deputy Principal’s Column

The term is really moving along and so is the students’ learning. This week I have been particularly excited about seeing the impressive gains that the students in Year Two have made in reading and spelling since the start of the year. Well done everyone. Much of that improvement can be attributed to parent’s attention to homework tasks that the students need to practice.

I would like to take this opportunity to wish all ladies a happy Mother’s Day on Sunday and I hope all the Prep mothers enjoy the special pampering they will receive on Friday at school.

Road Safety

Many afternoons I remind children who are riding bikes, scooters or skateboards, about being mindful of other pedestrians on the pathways. Almost every child now walks their bikes along the pathway up to the traffic lights. Due to the high volume of traffic along The Avenue in the afternoons, I have also been encouraging students and their parents to walk up to the traffic lights to ensure they cross the road safely.

Friday 23 May 2014 is Walk Safely to School Day

This annual event asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. The Sunshine Coast Council is encouraging all students within the Sunshine Coast council region to Walk Safely to School on this day.

Students can register their participation for Walk Safely to School by going to council’s website www.sunshinecoast.qld.gov.au before 5pm Friday 23 May 2014 to be eligible to win one of 10 Skateboards or one of 10 Scooters, plus many other random draws.

Our school will have two meeting places for parents and students to meet at 8.00 a.m. so that they can walk to school together. One venue will be the Coles Shopping Centre (near the coffee shop) and the second will be Peach Tree Park at 8.00 a.m. Student Leaders will give every child a Walk To School sticker and the class with the most walkers in Prep-Year 3, and Year 4 – Year 7 will receive ice-blocks.

ICAS testing

Thank you to all of the parents who have indicated that they wish their children to complete the ICAS tests for Science (Wednesday 4 June), English (Tuesday 29 July) and Mathematics (Tuesday 12 August). These tests are voluntary and were open to any child in Years Three to Seven who is academically achieving at a high level. Invoices will be provided to assist payment.

Coolum High School Visit

Last week all the Year 6 and 7 students attended a presentation about what it will be like being at Coolum High School in 2015. They enjoyed listening to the Year 8 and Year 9 Student Leaders who responded to their questions. Teacher Mr Robbie Koch spoke to the students about subject offerings and general organizational details. The Surfing Program certainly created much interest. Parents have been invited to attend a special meeting at the High School on Wednesday 7 May or Thursday 8 May at 6.00 p.m. All students have been informed about this.
Commemorative Shirts

The Commemorative shirts for Year 6 and year 7 students are at the printers and should be distributed very soon.

We appreciate all your patience waiting for them. We look forward to seeing the students proudly wearing them.

Can Ring Pulls

We are still collecting can ring pulls and will do so the rest of the year.

Sandy Cathcart

Head of School – Student Support

Fanfare 2014

As I commented on during my last Newsletter article, it is fantastic to watch the progress of our students in Instrumental music as they develop their skills throughout the year. The persistence and dedication it takes to learn a new instrument teaches our students the core beliefs of never giving up and that practice makes perfect.

Some of our Instrumental students will be lucky enough to attend this year’s Fanfare event, held at Coolum State School on Friday 30.05.14. Fanfare has a rich history dating back to 1985 and it was established to improve the quality of school-based ensembles in school Instrumental programs. It provides an opportunity for the school community to celebrate their young musicians and their dedicated instrumental teachers. It is a biennial state wide festival of bands from Queensland schools.

I know that our Instrumental teachers, Sharelle Guest and Peter Rickert, have been working hard to prepare our students and it will be a great and fun way to continue to promote and enhance the Instrumental Music Program at our school. Good luck.

Regards
Dave Foxover

Head of School - Curriculum

NAPLAN: 13 – 15 May

Our Year 3, 5 and 7 students will be undertaking their NAPLAN tests next Tuesday, Wednesday and Thursday. Below are a few tips to help you prepare your child for the NAPLAN testing days:

- Ensure your child has a good night’s sleep each night before the tests.
- Make sure that your child has a nutritious breakfast. Many students eat breakfast quite early and are hungry again by the time they get to school, so either delay their usual breakfast time, i.e. eat at 7.15am (instead of 6.45am), or send them to school with a banana or mandarin to eat on the way.
- Especially for the first day of testing (Tuesday), make sure that your child has a healthy and nutritious lunch (i.e. fruit, vegetables, yoghurt, cheese) so that they have the stamina to complete two tests. The same goes for Year 7 on the Thursday as they have two Numeracy tests.
- Please have your child at school no later than 8.15am on the Tuesday, Wednesday and Thursday. This will ensure that they are settled, calm and ready to begin as soon as the school day begins. If your child catches the bus, there’s no need to change their routine – the buses are all usually here well before the first bell goes.
- Ensure that your child attends school each day. Students who are away will have an opportunity to catch up missed tests on the Friday of testing week.
- Discuss with your child that these tests are just part of the whole picture that we have of them, and that they are not the be all and end all.
- Encourage them to do their best by carefully reading the questions and writing an answer for every question. By getting something down on the paper students have more chance of opportunity of being correct than leaving a blank.
- Make sure that they have a pencil, rubber and sharpener (which works!)

We are very proud of the efforts that all of the children have made in preparing for the NAPLAN tests. And we are confident that they will do their best on the day.

Rose Marszalek

Catering For All Learners

The Special Education building signs will soon be changed to Learning Enhancement Centre. The name was chosen to reflect the range of services and programs being offered from this area of the school.

We have a number of support staff based in the Learning Enhancement Centre building, and they work collaboratively with classroom teachers to differentiate programs to meet the varying needs of all our students.

The services and support programs include Learning Support programs, Gifted and Talented programs, our English as an Additional Language or Dialect (EAL/D) program as well as the Special Education Program and extra programs for lunchtime play.

Under the Disability Discrimination Act (DDA), the Attorney-General may make Disability Standards to specify rights and responsibilities about equal access and opportunity for people with a disability, in more detail and with more certainty than the DDA itself provides.

The new Disability Standards lays out guidelines around making educational adjustment for students with additional needs. This includes all children, not just those with verified disabilities.
Students requiring adjustments to enable them to access the curriculum include:

- Students with identified disabilities
- Students with learning difficulties
- ESL students (now known as EAL/D – English as an Additional Language or Dialect)
- Students with medical conditions (temporary or permanent)
- Students with delays in developing oral language
- Students with mental health conditions, as well as
- Gifted learners

The role of support staff allocated to schools is to work alongside the Classroom and Specialist Teachers to advise, provide resources, co-teach, assist with parent liaison, and collaborate on support programs.

Classroom teachers are primarily responsible for all students in their class; not only the ones at or above the benchmarks. It is through working together as a team with support staff, that Teachers are able to differentiate and cater to the needs of each individual student. This is imperative, as it is enshrined in law in the DDA and the new Disability Standards.

**Lunch time fun and learning at the LEC**

_We all should know that diversity makes for a rich tapestry, and we must understand that all the threads of the tapestry are equal in value no matter what their colour._ Maya Angelou

**Special Education Program Staff Team:**

Jane Thiselton, Hilary Dean, Janet Crow, Amanda Tinney, Melissa Martin, Maree Burgess, Natalie Trappett, Trillian Wansbrough and Jodie Dennis

**Learning Support, Gifted Learners, EAL/D, staff team:**

Melanie Timbs, Danae Steer, Amanda White, Alex Jennings, Lisa Seagg

**Resource Centre News**

**Didn’t we have a lovely time the day we went to Voices!**

On the first Wednesday of this term, Mr Dixon, Mrs Hobson, 45 very fortunate students and I headed off to the University of the Sunshine Coast to each meet three authors or illustrators. Some students attended writing or illustrating workshops. As you can see by the photos, everyone had a great day. The highlights for the students were Shake and Stir’s _Romeo and Juliet_ performance, Leigh Hobbs drawing his characters such as Mr Chicken and Old Tom, Tristan Bancks with his new book _Two Wolves_, Sarah Davis (of _Fearless_ fame whose dragon drawing was won by Zoe Butcher), Michael Gerard Bauer’s writing workshop, Marc McBride’s painting workshop (_Deltora Quest_ cover illustrator), Chris Collins _Funky Chicken_ workshop and Louise Cusack who shared her experience writing computer games.

**Library Displays**

When you next visit the Resource Centre, please take the time to view displays by Prep H, 1D & 2H (a buddy display). The delightful drawings by Prep H students illustrate various parts of the classic popular series, _Hairy McClary_ by Linley Dodd. For the 1D/2H display, one student from 1D buddied up with one student from 2H and they drew and wrote about each other. So cute! The main display table features reviews, ratings and recommendations by students in the Year 5 Book Club. Two students discovered that this year’s Children’s Laureate, Jackie French, is an excellent writer and have rated her books highly. There is also a table of books by the authors/illustrators who students met at Voices on the Coast.

**New to the Resource Centre**

A beautiful _blue squid_ puppet purchased by Gwen to go with her 2013 purchase, a manta ray puppet. I can’t wait to use this with my Prep and Year 1 classes.

_Rivertime_ by Trace Balla - a picture book for mid-upper primary students about “slowing down, growing up and connecting with the land and its creatures”. Students can spend hours poring over the detailed illustrations in this book about the joy of the outdoors.

_I Was Only Nineteen_ by John Schumann is a challenging book for older readers based on the Redgum song about Vietnam veterans.

_The Sequin Star_, a new novel about a kidnapping for Upper Primary students, by popular author, Belinda Murrell. It is set in Australia during the Great Depression.

_My Heart is Laughing_ is a new chapter book for lower to mid primary students about a little girl, Danni, who is always happy. Bronwyn Bancroft and Sally Morgan have collaborated to produce another colourful picture book titled _The Amazing A to Z Thing_.

---

---
Stephen Michael King’s new picture book, *Snail and Turtle are Friends*

Margaret Wild and RitvaVoutila *The Stone Lion* is about a scary lion statue outside a library.

Alison Lester’s new picture book *Our Island* is also collaboration between herself, Elizabeth Honey and the children of Gununa, Mornington Island.

*Keep reading to and with your children, Maree*

**Performing Arts**

**THE EPI PEN SONG**

http://www.youtube.com/watch?v=RaNAnzoGtSo

Three years ago, a collection of students who formed Film Fanatics (one of the Performing Arts lunchtime clubs) created a film about allergies with a superhero called ‘Ana Phylaxis’ who had a sidekick called ‘Epi Pen’. The students wrote, filmed, sang and starred in this film, working one lunchtime a week over the term.

Food Allergy Awareness Week runs from 12 May and is a special week raising awareness about food allergies. I am sharing their recording of the song they wrote for the film. This is a film clip of their song rehearsal, not the film. They did an excellent job, and were runners-up for the Australia-wide film festival they entered.

Performing Arts Lunchtime Clubs offer our students an opportunity for creative projects of their choosing.

If your child is in one of our Lunchtime Clubs ask them about their latest project they are involved with.

“Find your authentic voice, become vulnerable, and then put yourself out there.”

—Meredith Brooks

**Sofia Hobson**

**Health**

**Food Allergy Awareness Week**

Food Allergy Week aims to increase awareness of food allergy in the community in an effort to promote understanding and help protect those at risk.

This year the week takes place from Monday 12 – Sunday 18 May under the theme of *Be Aware. Show You Care.*

Be Aware is about raising awareness of the prevalence of food allergy in Australia, that in fact, one in 10 babies born here will develop a food allergy.

Show You Care is our call for community support. There are several ways that you, your family and/or friends can get behind Food Allergy Week. These include:

- Paint a nail – Paint just one of your 10 fingernails to symbolise that one in 10 babies born in Australia today will develop a food allergy.
- Download a badge – Head to the website and download a badge to use through your social media channels to show support and spread awareness about the week.
- Adopt an allergy – Adults without an allergy can adopt an allergy for one day to better understand the challenges those with allergy face every single day.

**Representative Sporting News**

Congratulations to Bryn Grigg, Jacob Abbott, Jackie Doyle, Merle Wiltsche and Amali Roberts for making the 12 Years Boys and Girls District Football (Soccer) Teams (very competitive teams to make). They will be participating at the Regional Football Trial at Maroochydore on 21-22 May. We wish them the best of luck.

Jennifer Ogbourne has been selected in the Sunshine Coast Regional Girl’s Hockey Team. Jennifer will compete at the State Titles at Coomble from 19-22 June. Good Luck Jen.

**Run Walk Challenge**

Amali Roberts was crowned Age Champion, Zara Warren second and Amber Barry third after the rerun of the 10 years girls RWC last Wednesday. The girls will join our other 35 runners who will race at the District Cross Country Trials at Kin Kin on the 19 May.
A non-compulsory training session for our cross-country runners will be held on Friday mornings on the oval from 8 a.m. rain, hail or shine. Bring a towel or a change of clothes just in case.

Until next time,
Mr Hutchins

STUDENT CARDS
WOW yet again – a fantastic response to returning our Student Cards. Thank you so much.

If you haven’t returned yours yet please do so as soon as possible.

If all information is correct and no changes are required please indicate ‘nil changes’, initial the form and return to the office.

Your assistance with this is truly appreciated.

P & C News
Due to the success of Friday’s Special Tuckshop we will be continuing the Friday Special throughout this term. If you order morning tea and lunch it will only cost $8.00.

Please use TWO bags per child. One bag for Morning Tea, One bag for Lunch.
Remember to write on bags; Cost, Child’s name, Class & Morning Tea or Lunch

Morning Tea $3.50
Junior Sausage Roll and a pot of Creamy Yoghurt topped with Honey

Lunch $5.50
Homemade Bolognaise served with Penne Pasta topped with Cheese

Choice of drink - Flavoured Milk, Milk, Juice Popper or Water

Combined Only $8.00
Special Menu ONLY on Friday

WE NEED YOU!
All Volunteers are very welcome and your help is much appreciated although this week it is the turn of 1J to provide assistance.

Thanks very much
Mel and Andrew

Scholastic Book Club MAY ISSUE 3
DUE: 12.05.14
The May Book Club brochures will have come home in your children’s school bag this week.

Please remember to fill out your order forms accurately, with your student’s name & class printed clearly. A phone number is helpful too, in case we have a query about your order.

Order forms are due by Monday 12 May 2014. Please place your order forms and payment into the green P & C box at the office.

Thank you again for your support.

Jane Catterall
Book Club Coordinator

Uniform Shop
Now the colder weather is upon us and the mornings are getting chillier it’s time to get your children wrapped up in something warm. The uniform shop is well stocked with our winter range of uniforms and children have the choice between:

Mother’s Day Stall
Thank you for all of the wonderful donations for our Mother’s Day Stall. Holly has been very busy wrapping and organising so that students can purchase gifts for Sunday.

Anyone who can help serve at the stall on Friday from 1.00 p.m. please come down to the senior Undercover Area. It will be a huge help. Call Holly 0415 339 039

Last chance to grab a ticket for the High Tea! Call Holly on 0415 339 039

The P & C are having a Car Boot Sale in the School car park on Saturday 31 May, $15.00 per site. About 80 sites available, please tell your family and friends.

This a good way to clean out your unwanted things and make some $$$$ More details to follow!!
• V-neck pullover – a good option for those children that feel the cold in class
• Micro fibre jacket – shower resistant and a good option for those children that only feel the cold when outside
• Vest – a great option for layering up with a white/navy skivvy under the school polo or shirt/blouse

All our winter uniform items look smart and keep the children warm, and they help identify your child with the school. You can use Flexischools to place orders: https://www.flexischools.com.au/ and we’ll give you a call when your order is ready for collection. Alternatively, come into the uniform shop and have a closer look at the range. Our current opening hours are:

Wednesday 2.00 p.m. – 3.15 p.m.
Friday 8.30 a.m. – 9.00 a.m.

Student Celebrations

Last term Charlie Bourne from class 1J was awarded “Swimmer of the Term” by the Noosa Aquatic Centre’s Swim School. Well done Charlie. A great achievement. We’ll see you in the Olympics in a few years.

Lachlan Astley has been selected in the Sunshine Coast Regional AFL team to go to Townsville from 5 June – 8 June. Well done Lachlan! Looking forward to seeing you play on the television in a few years.

We have amazing kids in our school achieving in their chosen interests at high levels. If your child has achieved something wonderful outside school please let us know either through the office, your child’s teacher or email

the.principal@peregianspringsss.eq.edu.au

We love to hear about what our kids are doing!

Payments Procedure PSSS

Please ensure when you are making a payment to the school for an Excursion or Camp by EFT or Cash/Card that the permission forms are also forwarded to the office. We are then able to match payment to permission forms and stamp them paid and hand them on to the teacher concerned. Please do not send any money to your student’s teacher. All money is to come directly to the office. Payment times are 8:00 – 12:00 every week day.

Due to the requirements of Education Queensland with regards to banking and cash on premises, the school office is unable to process payments after 12.00 p.m.each day. Payments can be made online.

Student Resource Scheme

As we are well into our second Term, payment of your SRS would be appreciated. These funds cover costs associated with special activities including Mothers Day, Fathers Day, Easter and other special events.

The Student Resource Scheme payment can be made at the school office or directly into the school bank account. Did you know that PSSS is registered with Centrelink and you can arrange through the BSM to have payments deducted directly each fortnight from your nominated benefit. If you wish for this to happen please make an appointment to speak with the BSM Jill Hamilton.

UNIFORMS

Please ensure students have the correct uniform at all times by ordering items from the Uniform Shop.

All children require **black shoes with black or white socks**. We recommend black joggers as children are engaged in a lot of physical activity at school. Currently there are many children wearing shoes of other colours or wearing shoes that do not support vigorous activity.

Our school community is proud of our school uniform and takes pride in the way children present themselves. We note that children who present at school in clean and tidy uniforms are often better behaved and more attentive in class.

Your cooperation in ensuring your child is wearing the correct uniform is appreciated.
