Welcome back
A warm winter welcome to all our families. And a special welcome to all our new families. There are new children all over the school and we hope you settle quickly into our friendly community. As usual, we have an action packed term ahead and I encourage all families to keep an eye on the calendar on our website and on Schoolzine to ensure you know what is going on. Your class teacher will also communicate with you about class-based events.

P&C News

It is with much regret our much loved P&C President, John Sheridan, has resigned from his position. John’s work commitments are such that he is unable to devote the time he would like to being President. John has worked extremely hard to raise the profile of our P&C in the school community and I have loved working alongside him. Thank you, John, for your contributions. You will be sadly missed by staff, parents and students at Assembly!

We would love some more parents to step forward and help us on the P&C. It’s a lot of fun and you get to meet some great people and also build your own skills. Many past P&C members have been able to demonstrate superior skills in job applications. If you would like more information about being on our P&C in any capacity (but we particularly need a President) please feel free to make an appointment to see me or email pandc@peregianspringsss.eq.edu.au.

A massive thank you to our P&C who have made the final payment on our Multi Purpose Courts. This has been a huge undertaking to raise $50 000 to pay the difference between the grant received and the cost of building them. Our P&C have been working on this since 2010! Now we can start on a new project and we would like to direct fundraising efforts to an adventure playground suitable for the senior students. Please support our Fundraising Committee as much as possible – their efforts benefit every child in the school.

Welcome back to Sofía, our Performing Arts Teacher. Sofía had a period of unexpected leave last term and we are really happy to have her back.

Athletics Carnival

Our Annual Athletics Carnival has been scheduled for 23-25 July (next week). We are such a large school that it takes three days to get through all the events now! We love parents to come along to help and to cheer all our kids. Athletics Carnival days are always great days. Cam Hutchins, our PE teacher, will keep you informed about arrangements so please keep a check on the website and on your email!
Asia Education Foundation Conference and our links with Japan

Last term I attended the Asia Education Foundation conference on the invitation of the Prime Minister. There were over 500 delegates from all over Australia gathered to consider how to develop intercultural capability in their students. This knowledge and skill is so essential for our children to be able to navigate our global economy.

Nearly every school in attendance have international partnerships and welcome Asian students into their schools each year. Nearly every school also has a program of taking their students to Asia. We have begun these programs in our school with Japanese children visiting us and staying in your homes and attending school here.

For the first time this year we will be taking a group of Year 6 students to Japan. We will be travelling to Tokyo for 10 days and staying in Japanese homes and attending school at the Sagami Women’s University Elementary School. It’s not too late to join us so if your child is in Year 6 or 7 and you would like them to attend this amazing school excursion please contact me through the office.

There is a meeting for interested parents and children on Monday 21 July at 3.00pm here at school.

Piano Donation

Many thanks to the family of Maggie Macrae for the donation of a piano to our school. This lovely instrument is housed in the Indoor Sports Centre. It needs a bit of repair and tuning – are there any parents out there who can do this or have links with someone we could approach?

Our Netballers

Keira Dunbar, Eve Christopher, Ciara Cullen and Mini Campbell who have been playing netball together for two years and make up our Strikers netball team have just finished a season in the Coolum District Netball Association: Division 4 competition. The competition had 9 teams competing and our school had 2 teams in the division. The Strikers made it to the Semi Finals (4 teams) and then eventually finished 3rd. Well done, girls – what a great effort!

Absenteism in Semester One

In learning and achievement Every Day Counts

(http://education.qld.gov.au/everydaycounts/). In line with departmental policy we monitor absences from school and strongly encourage parents to ensure regular school attendance. The benefits of regular school attendance have been extensively researched. Achievement in both academic and social outcomes declines sharply once attendance at school drops to below 85%. This amounts to 10-15 days of absence per semester.

Last term 59% of our students achieved 95% or greater attendance – less than 6 days absent over two terms. These students will have received a congratulatory letter in their Report Card Packs – well done to all of you.

Sadly we still have 31 students who missed more than 15 days (3 weeks) of school in Semester One.

Principal’s Blogspot

Over the last little while I blogged about school photo day and reading Report Cards - http://peregianposts.blogspot.com.au/.

Long Service Leave

I am currently on long service leave for three weeks. It is the longest break I’ve had since 2004. I will return to school on 6 August. Our family is travelling to Glasgow for a family reunion. In my absence Sandy Cathcart will be Acting Principal and you can contact her through the office. Rose Marszalek will be Acting Deputy Principal and Clair Allan joins the leadership team in the capacity of Head of School.

I look forward to seeing you on my return in August

Gwen

Stories from the car park

The following story was reported to our office last term.

I was reversing out of a car park when a car zoomed up and stopped directly behind me. The parent then proceeded to offload her children in the MIDDLE of the car park. If I had not been on the ball I could of easily continued reversing and collided into a child. This process took some time so the children were also in danger from the cars stuck behind them. Incidences similar to this are happening on a daily basis in the car park. Parents are using the car park and the footpath running past the office as a green zone instead of having the patience to use the real one correctly. Why are parents risking the well being of their children by behaving in this manner. It is with a great sense of disbelief that some parents are not only endangering lives but blatantly showing no regard and taking for granted the school and the rules it upholds. Something terrible is bound to happen soon unless these parents show concern for all the pupils of the school and start using the car park in the correct manner.

Parents are reminded that the police have advised that parents who experience this sort of behaviour in the car park or surrounded area can photograph the car and the registration plates and make a report to Coolum Police Station.

The above story (and the many others we receive like it) is quite at odds with the recent newspaper report listing our school’s as having the reputation of being the best drivers!

First Aid and CPR for staff

Many of our staff have volunteered their time after school hours to complete their training in CPR and Senior First Aid. We take the safety and health of all our students very seriously and it is comforting to know that the staff has the knowledge and skills to provide the all-important First Aid treatment if required.

National Disability Data Entry day

On the 1 August, our school will be submitting information about student learning adjustments to the National Disability Data Base. On that day, we record the number of students who may need some type of adjustments to their learning programs to assist them with learning. It is normal practice at our school that all parents are notified about any learning adjustments via parent teacher interviews or other ways such as emails or phone conversations with the teachers. If you do not want this data to be submitted then please advise the Deputy Principal.

Walking bus

Walk to School Days at our school have been very successful and it would be a great idea if we could make this a regular event. If you could offer your support by being able to meet and walk a group of students from either the Coles shopping centre or another venue can you please let me know. We have a chance to apply for funding in the next 2 weeks, to organise the concept of a walking bus.

Athletics Sports Day

- **Wednesday 23 July**: Athletics day for Prep-Year 3
- **Thursday 24 July**: 9 year-13 year old 100 metre Sprints and High Jump, Long Jump and Shot Put.
- **Friday 25 July**: 9.00 a.m. Whole School March past on oval. 9 years-13 year old students Sprint Finals, Tabloid Sports and Age Champion Presentations.

9 years-13 year old students Sprint Finals, Tabloid Sports and Age Champion Presentations.

Project Compassion

We are going to raise money to help Save the Koalas on Friday 8 August. Everyone is invited to come to school in their pyjamas and donate a gold coin. The Student Leaders will collect the money and it will be deposited into the Save the Koala Foundation.

ICAS English Test

Tuesday 29 July 11.00 a.m. All students who have paid to participate in this test will need to take pencils and erasers to the Junior demountable where they will be supervised by Mrs Cathcart.

Japanese Meeting for Tour Group for parents

2.00 p.m. Monday 28 July All parents of students who are already booked on the trip to Japan with Ms Sands in November, are invited to a special meeting in the staff room. We have two guest speakers, Shigaru and Joshi who will be explaining the trip to the group.
3.00 p.m. If you would just like to find out more information about the possibility of your child going to Japan in 2015, you are most welcome to attend a second meeting that will give you further details.

Billots are desperately required still for Japanese students 6-14 August. If you think you may be able to offer a home for one or more students, please contact our school parent co-ordinator Barb Hook at weyba12@bigpond.net.au

Thursday 31 July 3.30 p.m. (Japanese room) All parents who will be hosting students from Japan are invited to a meeting to provide them with the latest information.

HRE Family Planning evening

Tuesday 29 July all Year 6 and 7 girls with their parent or adult carer are invited to attend a Human Relationships Education Program at 6.30 p.m. to 8.00 p.m. in the school staffroom. The cost is $10 per family.

Wednesday 30 July all Year 6 and 7 boys with their parent or carer are invited to attend a similar program. Younger siblings may not attend. The Program is presented by Ellie McAlister who is the Regional Education Coordinator.

Family Planning Queensland, Sunshine Coast

National Tree Day

Friday 1 August students will be encouraged to plant a tree or a Birdwing butterfly vine in the school grounds.

Coolum High School

This school is the obvious High School choice for all students leaving in 2015. It is a short walk across the walk bridge over the Sunshine Motorway and it is nestled in the beautiful National Parkland at the base of Emu Mountain. The Learning Audit results in 2013 for the school were High in every academic learning area. The school has recently upgraded all the servers to now accommodate our students with their mLearning Program. The school also excels in teaching the Japanese language, Performing Arts, Surf Skills and Instrumental Music.

Thursday 24 July 6.00-7.00 p.m. The Coolum State High School has extended an invitation to all our parents and students to tour the new modern facilities that have been built for our year 6/7 students attending the school in 2015.

Sandy Cathcart

---

COOLUM STATE HIGH SCHOOL - Year 6/7 into Year 7/8 2015

Coolum SHS would like to invite all Year 6 and 7 parents and students to;

‘Parent Tour of New Junior Secondary Precinct & Information Update’

Thursday 24 July 6.00-7.00 p.m. - Coolum SHS Junior Secondary Block &

‘Parent Tour of New Junior Secondary Precinct’

Friday 25 July – 9.00-10.00 a.m. (followed by morning tea)

Come along and see our new facility and further insight into important issues related to Year 6/7 students moving into Year 7/8 in 2015.

For more information contact Robbie Koch on (07) 5471 5333. See also Coolum SHS flyer distributed to all Year 6, 7 students.

Head of School – Student Support

Instrumental Strings Program

Mid - Year performance

At the end of last term, our school held a night performance for all parents and friends of our String students in the Music room. It was a great opportunity for all the String students to demonstrate the amazing progression that they have achieved over the first 2 terms. The looks of excitement and confidence, as they each performed were a great reflection of all of their efforts this year.

Peter Rickert, our Strings teacher, also gave some valuable insight into the skills that music students learn as they practise their instruments. Lifelong skills of persistence, focus and pride of work are built as students progress in their knowledge of an instrument, as well as teamwork when they perform together.

A highlight of the night was Peter also performing for the students and parents. His flair and enthusiasm is a great role model for their future years. A big thank you to the parents and community that turned out to watch the students perform. Your support is what makes this school so special.

Sandy Cathcart

---

Head of School - Curriculum

100 Days of Learning

Can you believe that we have almost had 100 days of learning this year? Our Year 1 classes always celebrate this milestone with fun activities involving the number 100. Many of our Year 1 classes are asking their children to collect 100 items to fit into a ziplock bag and bring these along this Friday to share with the class. Students will spend part of their day investigating 100
and doing lots of fun activities. Year 1 Parents please see your child’s Teacher to find out what and when!

Homework

Each Teacher enacts the school’s Homework Guidelines in a way that best suits the needs of their learners at any point in the year. Teachers will communicate this to you either at the start of the year or through the year if things change. Common tasks include reading practice, spelling or sight words practice and number facts practice. At times Teachers may also include other short tasks which cannot be completed at school that align with other subject areas, such as observing the moon as part of a Science unit, or interviewing a family member as part of a History unit. In the upper school students may be working on longer term assignments and projects as negotiated with their teacher.

The time allocations for homework vary according to a student’s year level and developmental stage. The recommended nightly time allocations are:

- Prep: 5 – 10 minutes
- Years 1 – 2: 10 – 15 minutes
- Years 3 – 4: 15 – 20 minutes
- Years 5 – 7: 20 – 30 minutes

Some parents feel very strongly that homework should not be set by the school. Our Homework Policy and Guidelines allows those parents to decline to participate in the class homework program. A notation of this request will be made on the student’s file. Our full Homework Policy and Guidelines is available on our website https://peregiansspringsss.eq.edu.au/Curriculum/Homework/Pages/Homework.aspx

School Opinion Survey

The annual School Opinion Survey starts next week and runs until 3 August 2014. Many families, school staff and a representative sample of students in Year 5 and 6 will be invited to take part. We encourage you to take this opportunity to have your say about what our school does well, and how we can continue to improve.

The online survey will be available until 3 August 2014, and should take you less than ten minutes to complete. Access details for the Parent/Caregiver Survey will be sent home with students early next week.

Rose Marszalek

Catering For All Learners

Welcome back to term 3!

We hope that you had a wonderful holiday break with your family and are ready for a busy term.

New families beginning their learning journey at our school and starting a new semester provides an ideal opportunity for us to reflect on the power of empathy….

Children and adults who have empathy for others not only understand when others feel sad, joyful or angry, but can also offer appropriate support. Children develop their capacity to feel empathy over their early years of life.

Empathy is important to friendships, and children who are able to empathise with others are less likely to bully or exclude other children as they get older.

Children’s mental health and wellbeing is supported when they develop a positive sense of self and the social skills to help them relate well with others.

We invite you to watch this short clip on the power of empathy...

http://www.youtube.com/watch?v=1EvwuI369Jw

What is the best way to ease someone’s pain and suffering? In this beautifully animated RSA Short, Dr Brené Brown reminds us that we can only create a genuine empathic connection if we are brave enough to really get in touch with our own fragilities.

The conversations about empathy that teachers and parents have with their children are powerful, and will make the world of difference, not only for our children, but also for someone else’s children one day.

Special Education Program Staff Team:
Jane Thiselton, Hilary Dean, Janet Crow, Amanda Tinney, Melissa Martin, Maree Burgess, Natalie Trappett, Trillian Wansbrough and Jodie Dennis

Learning Enhancement. Prep news

Support-a-Talker
Throughout Semester One, the Support-a-Talker Program has been implemented in Prep. The success of this program is due to our wonderful volunteers and teacher aides who have been working with our students to enhance their oral language development. Oral language plays a vital role in the learning and lives of all students, but particularly early childhood students. It is a major platform from which literacy skills develop. The time and commitment our tutors have displayed on a weekly basis, has shown in the student’s oral language progress. These wonderful Mums are continuing their work again this term. Thank you for your ongoing support to our school!

Enrichment Program
Last term, the Prep Enrichment Program started targeting high performing students in the area of Literacy with a focus on reading and writing. This program will continue throughout Term 3 as we strive to further our students to become the best they can be!

Perceptual Motor Program
A Perceptual Motor Program aims to give the child experiences in seeing, hearing, touching, processing, making perceptual judgments and reacting through carefully sequenced activities which children enjoy doing like running, hopping, skipping, jumping, balancing, crawling, climbing, throwing, catching, bowling and sliding using a variety of common and specially designed equipment. Miss Fiona ran a successful program throughout Term 2 and we will be continuing this work with targeted students during Term 3.

Alex Jennings

Creating a Happier Life with Choice Theory

Behaviour support
One of the key foundations underlying how we operate at Peregian Springs State School is Dr William Glasser’s Choice Theory Psychology. As educators, Choice Theory helps us to better understand the individuals we teach and to help those individuals grow towards being responsible, resilient and happy people. Choice Theory gives all of us the understanding and tools to build a satisfying and happy life while staying strongly connected to important people in our lives. Over the next few weeks I will share some of the concepts Choice Theory gives us.

Choice Theory Psychology tells us that everyone has, built into their DNA, five Basic Human Needs. We all experience them to different degrees – one might be high for me and low for you. We are happiest when we are getting the precise amount of a particular need that we want to have. We are unhappy (e.g. - lonely, scared, bored, feeling disempowered or unloved, etc) when we don’t have enough of these needs.

Let’s start with our need for Survival, safety and security. This Basic Need deals with things such as food, shelter, clothing, oxygen and reproduction for the survival of our species. It also concerns our need for safety and security.

A person with a high need for Survival is typically not a risk taker and may find change in their life quite challenging. A person with a high survival need tends to be a ‘saver’ rather than a ‘spender’, someone who is more comfortable when they have a plan for the future. He/she may be a ‘worrier’ who eats well and exercises for good health and longevity. Don’t worry if you don’t particularly care about these things, that just means you have a lower survival need.

There is nothing inherently right or wrong with any of the 5 Basic Needs. There is no ‘best’ level to be with any of the needs (high, low or in between is fine). They are what they are. The amount we individually require of each of the Basic Needs seems to be genetically determined and forms the basis of our personality.

This week think about all the things you do to feel safe and secure. Do you save money regularly? Do you have a lot of insurance? Do you find you worry a lot? Do you engage in activities to maintain your health? Are you prepared for emergencies, complete with escape plans? What are some other things you do to feel safe and secure? Or are you a risk taker who never thinks before jumping?

Developed from The 21 Day Challenge at http://mentalhealthandhappiness.com/If these ideas interest you, consider registering for our free Parenting Program – Parenting with Choice Theory – Being the Parent You Want to Be.

Resource Centre News

Important new information!

Dear parents and caregivers,

With just over 6 weeks to go, it is again time to don your costumer’s hat and help your sons and daughters create book characters for the Book Week parade at the end of Week 7. Friday 29 August.

The theme is ‘Connect to Reading’ and since the last newsletter, we have decided to give you more direction. We now invite students to dress up as a book character who is connected to another character/s, one who is part of a duo, trio, or larger group. They may be friends, mortal enemies or a famous book family. Students may group up with a friend, group of friends, their buddies or their brother and sisters. They don’t even have to have a partner but should be able to say who they are connected to.

Here are some examples:

- Charlie and Lola
- Harry, Hermione and Ron
- Mr and Mrs Twit
- The Three Muskateers
- Swiss Family Robinson
- Max and the Wild Things
- The Three Little Pigs
- Snow White and the Seven Dwarfs
- Cinderella (and her ugly sisters)

Red Riding Hood, Grandma and the Wolf
Thing 1 and Thing 2
Hansel and Gretel
Goldilocks and the Three Bears
Billy B Brown and Jack
Peter Pan and Tinkerbell
The Lion, the Witch and the Wardrobe
The Great Big Enormous Turnip
Jack and the Beanstalk
The Wizard of Oz and Dorothy

I have ‘brainstormed’ more ideas with students during library lessons this week.

Happy costume hunting and creating!

Maree Johnson
Teacher Librarian

‘The more you read, the more things you will know. The more you learn, the more places you’ll go.’ (Dr Suess)

Uniform Shop

Don’t let your little Springers get wet or cold now the weather’s changing. The uniform shop is well stocked with micro fibre jackets, V-neck pullovers and vests to keep them dry and warm. Don’t forget to use Flexischools to place orders: https://www.flexischools.com.au It will save you time and you’ll avoid the queues. As soon as your order is ready for collection we’ll give you a call.

If anyone would like to help out in the uniform shop please let me know by sending an email to uniforms@peregiansspringsss.eq.edu.au. It’s a great opportunity to meet new people, learn some new skills and help the school out.

Current open hours are:

- Wednesday 2.00 – 3.15 p.m.
- Friday 8.30 – 9.30 a.m.

Sonia Sheridan
Uniform Convenor

P&C News

Firstly a very BIG thank you to Holly Hedgman for her hard work and dedication whilst being part of the P&C Committee. Holly has chosen to re-start university studies which won’t leave her much time for P&C duties, we are sorry to see Holly go, she has been an inspiration to us all. Holly was responsible for the success of the Mother’s Day Stall, the High Tea and the recent Car Boot Sale, thank you Holly, what will we do without you??

Therefore we need more committee members; there are currently 3 roles that need filling. President, Vice President and QCPCA Rep. I say Vice President as I am currently Acting President only, if I nominate for President that role will become vacant.

Anyone who would like to join the team needs to come along to our next meeting on Thursday August 14. On this date we are holding a Special P&C meeting to make a small adjustment to our constitution to amend meeting times to 6.00 p.m. instead
of 7.00 p.m. This Special meeting will start at 6.00 p.m. and the regular meeting will follow on from this, so come early please.

Tuck Shop news
From next week the Tuck shop will be open 3 days a week, Wednesday Thursday and Friday. A new menu has been produced. Look out for it in your child’s school bag and on the website. Please destroy the old one, some items will no longer be available. Please only order current menu items.

The tuck shop loves new visitors, please come along and help out on a Wednesday, Thursday or Friday.

Future events coming up
Indoor Sports Centre Grand Opening and Spring Fling; a family day out at the school with market stalls, entertainment, food and drink. Come along and celebrate!! Planned for Sunday 14 September. More information to follow!

Ongoing ways to help our School
Discounted Movie Tickets
Purchase adult movie tickets from $10.50 and childrens tickets at $10.00 and help raise money for our school, please copy the above link into your browser, the school receives $1.00 per ticket purchased.

Sticky name labels
If you need to buy labels for your children’s books, Bright Star Kids Labels do provide the school with a donation for every order, so when you’re ready to purchase please try www.FDR000.brightstarkids.com.au or call 1300 668 997.

Til next time
Dawn Shelton
Acting President

JULY SCHOLASTIC BOOK CLUB
Issue 5 Book Club brochures will come home in your student’s bags next week.

Look out for the Red Label $2 Books in each issue. The $2 titles this month are:
- A Monster Wrote Me a Letter
- Disney Princess Jewels
- True Tales of Animal Heroes
- The Barrumbi Kids

Please clearly label your child’s order with their class name and a phone number in case we have a query about your order. Cash payments up to $10 are accepted, credit card and cheque payments are preferred.

Your orders earn rewards points for our school library. Thank you for your support.

ISSUE 5 Book Club orders are due WEDNESDAY 30 JULY

Hi School Bankers!
Remember your bank books every Tuesday to be in the draw for Student Banker of the Week!

Please ensure deposit slips are filled out correctly with Full name, Account Number, Student ID and correct amount of the deposit.

Thanks and Happy Banking
Kim and Nat

Student Celebrations
We have amazing kids in our school achieving in their chosen interests at high levels. If your child has achieved something wonderful outside school please let us know either through the office, your child’s teacher or email the.principal@peregianspringsss.eq.edu.au

We love to hear about what our kids are doing!

Payments Procedure PSSS
Please ensure when you are making a payment to the school for an Excursion or Camp by EFT or Cash/Card that the permission forms are also forwarded to the office. We are then able to match payment to permission forms and stamp them paid and hand them on to the teacher concerned. Please do not send any money to your student’s teacher. All money is to come directly to the office. Payment times are 8:00 – 12:00 every week day.

Due to the requirements of Education Queensland with regards to banking and cash on premises, the school office is unable to process payments after 12.00 p.m. each day. Payments can be made online.
**Student Resource Scheme**

These funds cover costs associated with special activities including Mother’s Day, Father’s Day, Easter and other special events.

The Student Resource Scheme payment can be made at the school office or directly into the school bank account. Did you know that PSSS is registered with Centrelink and you can arrange through the BSM to have payments deducted directly each fortnight from your nominated benefit. If you wish for this to happen please make an appointment to speak with the BSM Jill Hamilton.

**UNIFORMS**

Please ensure students have the correct uniform at all times by ordering items from the Uniform Shop.

All children require **black shoes with black or white socks**. We recommend black joggers as children are engaged in a lot of physical activity at school. Currently there are many children wearing shoes of other colours or wearing shoes that do not support vigorous activity.

Our school community is proud of our school uniform and takes pride in the way children present themselves. We note that children who present at school in clean and tidy uniforms are often better behaved and more attentive in class.

Your cooperation in ensuring your child is wearing the correct uniform is appreciated.

**Follow us on Facebook**

Search Peregian Springs State School and click ‘Like’. We are regularly posting news and reminders. Our feed also appears on the opening page of our website. **This service is for parents**, Children must be 13+ to be allowed a Facebook page.
