

# iPad

## MINIMUM IPAD SPECIFICATIONS

It is recommended that students NEW to PSSS BYO iPad have a minimum of 10.2" generation 8 iPad with 128GB capacity.

It is recommended that students already BYO iPad from 2020 have a minimum of 9.7" iPad Generation 5. If their iPad is older than this it may be time to consider an upgrade.

### Recommended Extras:

- A sturdy case that provides protection to the back and front of the iPad. Parents should also consider a case that has a built in stand as this assists with posture and iPad use.

### Optional Extras:

- A wired keyboard (*for Students in Years 4-5*)
- Stylus (*for students in Years 1-5*)

### Definitely not:

- Cellular
- iPad Minis
- Android Tablet

Check out the school website for further details.
