

PREPARING YOUR IPAD FOR ANOTHER SCHOOL YEAR FAMILY CHECKLIST

iPad

- ✓ **Repair** any damages to the iPad. This includes cracked glass screens.
- ✓ Give your iPad a **clean**. Take off the case and give it a good clean too.
- ✓ **Update** your child's iPad to the latest version of iOS. Setting - Software Update. *(If the iPad is unable to update to the latest iOS - it is time to consider updating the device. Check the school website for minimum specifications information)*
- ✓ Check the **storage space** and delete any photo and videos from the camera roll (and recently deleted folder)
- ✓ **Delete** any home apps that are no longer used or that take up a lot of storage.
- ✓ **Delete** school content in apps that are no longer needed. e.g. Book Creator, Pic Collage, Pages, Clips, Garageband, etc
- ✓ Ensure your child has a set of **working headphones** for school. If your child is going into Year 4, 5, or 6 they may prefer to have a case with a wired/bluetooth keyboard attachment or a separate keyboard.
- ✓ Read through 'Getting your Device Ready for School' for tips on setting up an iPad for the school year. This includes downloading and setting up the the **InTune Company Portal**.
- ✓ Discuss the **PSSS ICT Agreement** with your child and sign the digital agreement (emailed out Week 1 of Term 1).
- ✓ Read and complete the digital **online consent** form. (emailed Week 1 of Term 1)
