Our school initiatives are showing substantial progress toward our targets

After reviewing our 2016 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Continue to implement a whole school monitoring process for all students below the NMS in Years 1 to 6, and for all students at risk of dropping below the NMS in Years 1-5 by the end of Term 1
- Implement an intensive PD program for teachers new to the school in core school programs
- Implement quality PD for all teachers in differentiation and catering for diverse learning needs
- Improve teacher capability through focused coaching in the teaching of reading, writing and number sense
- Continue intensive professional development in the teaching of reading, writing and number sense for all teachers with particular emphasis via the Master Teacher for Prep to Year 2 and Year 4 and 5
