

MINIMUM MACBOOK SPECIFICATIONS

PEREGIAN SPRINGS STATE SCHOOL

MLEARNING BYO MACBOOK PROGRAM

A Macbook 13" is the preferred device for use at school for students in Year 5 and 6.

Recommended Accessories:

- Strong sturdy case or bag
- Identification for the case and the MacBook
- An external hard drive used only by this MacBook
- Headphones

Technical support and Warranty:

PSSS staff will configure the MacBook for secure connection to our wireless network and assist students to connect to printers and other school devices. School staff may also be able to assist with software configurations and identify the need to seek warranty service. All other hardware and technical support issues are the responsibility of parents. This needs to be taken in to consideration when selecting a supplier and support package.
