'Welcome to Prep' Information Session and School Tour

Discover everything you need to know about our school and the Prep Program—an excellent opportunity to learn and engage.

Group Interview

A key component of our transition program. The group interview provides your child with the opportunity to engage in a small group session. A wonderful way for our teachers to connect with your child in a fun, supportive, and relaxed environment. During this time, families will have the opportunity to speak with a member of our leadership team, who will be available to answer any questions you may have.

Prep Discovery Session

While your child enjoys their Prep Discovery Session, families will have the opportunity to connect with other parents, staff, and members of our school community.
