

Application for Exemption from the Enrolment Management Plan

Please complete this form if you are seeking enrolment from outside the school's catchment. A map and list of streets inside the catchment are available on our website <http://www.peregianspringssss.eq.edu.au/enrolment.htm> or from the school's office.

All children in your family can be added to the same form below. An exemption applies to all family members even if they are not yet school age or born.

Please send the completed form and copies of any documentary evidence you have to support your application to the school's office. Your application will be dated on receipt and added to the waiting list. You will receive a response two-three weeks from the date the form is received.

Other Information pertinent to your child's enrolment:

Please attach all relevant school and health reports pertinent to your child's enrolment

This information below is an excerpt from the Enrolment Management Plan and explains the Enrolment Criteria in more detail.

Enrolment Criteria

Students who reside outside the school's local catchment boundary who apply for enrolment at the school will be put on a waiting list in order of receipt of application. Where there is spare capacity, students will be enrolled from the waiting list based on the following criteria and order of priority:

- Siblings of students already enrolled
- Children and young people who are subject to child protection orders that grant guardianship or custody to the Chief Executive Officer of the Department of Child Safety.
- Students whose parents are in the process of purchasing a block of land, within the enrolment boundary, with the intention of building and residing therein; or who are building a house within the enrolment boundary for the purpose of residing at that address
- Students whose parent or legal guardian is employed by the school or are paid P&C Association employees.
- Siblings of students who have left the school and reside outside of the local catchment boundary.
- Any remaining students residing outside the catchment area.

Students who reside outside the catchment area and who officially leave the school will be considered for re-admission in accordance with enrolment criteria as stated above.

Should the enrolment capacity of the school change because of the introduction of new programs and initiatives and/or the development of further stages of the school, this will be formally notified through the registration and gazettal of an amended plan.

For more information please contact the school office.
